Abstract	1
1. Introduction	2
2. Historical review of the previous works on the Antarctic gastropods	3
3. Materials and methods	6
4. Topographical and oceanographical background of the surveyed area	11
5. Taxonomy	
Family Scissurellidae	13
Family Fissurellidae	22
Family Trochidae	25
Family Skeneidae	43
Family Turbinidae	57
Family Littorinidae	61
Family Eatoniellidae	62
Family Rissoidae	66
Family Trachysmatidae	74
Family Fossaridae	77
Family Tornidae	80
Family Turritellidae	82
Family Capulidae	84
Family Trichotropidae	86
Family Lamellariidae	93
Family Naticidae	109
Family Eulimidae	122
Family Muricidae	131
Family Buccinidae	143
Family Volutomitridae	185
Family Volutidae	195
Family Marginellidae	198
Family Cancellariidae	203
Family Turridae	205
6. General Remarks	229
Acknowledgments	238
References	240
