### **Editorial Policy**

**Nankyoku Shiryo** (Antarctic Record, ISSN 0085-7289) provides the publication of preliminary scientific results using materials/data from the Antarctic expeditions by all nations. Publication is not limited to the articles related with the Antarctic, but also includes those related with all polar research such as the Arctic. It covers notes on official records of the expedition. Participants to the expeditions are encouraged for submission. Authors can select one of the following categories of article: *scientific paper, scientific note, review, report, symposium/meeting report* and *news*.

### **Submission of manuscripts**

**Nankyoku Shiryo** (Antarctic Record, ISSN 0085-7289) is published three times a year (March, July and November). Authors are requested to submit, with their manuscripts, a sheet of submission to indicate the contact address, fax number and e-mail address, *etc.* In case of more than one author, please indicate to whom the correspondence should be addressed. The format of the sheet is available upon request to <http://polaris.nipr.ac.jp/~library/e/>. Manuscripts for the Journal should be sent to:

The editorial office of NIPR  
Midori-cho 10-3, Tachikawa  
Tokyo 190-8518, Japan  
Tel 81-42-512-0648  
Fax 81-42-528-3104

One paper copy and its full electronic files (the text, all tables, and all figures) which were prepared according to the **Technical details** (see below in details) should be submitted. Arrival date of the manuscripts to the editorial office of NIPR is registered as the received date.

### **Review Process**

The editorial committee consists of 11 members: the executive editor, and nominated members from upper atmosphere, meteorology & glaciology, earth science, bio-science and logistics. The working group under the editorial committee may advise the author on wording, organization, *etc.* upon initial receipt of the manuscript. After formal submission, the manuscripts are reviewed by two referees in case of a scientific paper, and by one referee for other articles. Referees and editors may request modification/revision of the papers. Acceptance of the paper and its final category are determined by the editorial committee of NIPR.

### **Proofs**

One set of page proofs will be sent to the corresponding author, to be checked for typesetting/editing. The author is not allowed to make changes or corrections that constitute departures from the article in its accepted form. Proofs should be returned within 2 days.

### **Submission of electronic text**

Authors are requested to submit the final manuscript by full electronic copy.

### **Publication charge**

Submission and publication are free of charge.

### **Reprints**

The corresponding author can receive up to 50 reprints without any cost.

### **Copyright agreement**

The copyright to any published article (hereafter referred to as a paper) in this journal belongs to the National Institute of Polar Research of the Research Organization of Information and Systems. Authors are responsible for obtaining confirmation from the copyright holder (Library director, the National Institute of Polar Research) to reproduce any figures from the specific paper that requires special permission.
