Tables/Illustrations

Tables should be compiled on separate sheets and should be numbered according to their sequence in the text. All illustrations should be numbered consecutively and referred to in the text. Color figures can be accepted upon request. But the final decision rests with the editor.

Page proofs

One set of page proofs will be sent to the corresponding author, to be checked for typesetting/editing. The author is not expected to make changes or corrections that constitute departures from the article in its accepted form. Proofs should be returned within 2 days.

Reprints

Fifty reprints of each article are supplied free of charge. Additional reprints can be ordered on a reprint order form, which will be sent to the corresponding author upon receipt of the accepted article by the publisher.

Submission of electronic text

Authors should also submit a copy of the final text (after acceptance) on a 3.5" diskette. The name and version of the word processing program should be clearly indicated.
