

In the past the proceedings of symposia sponsored by the National Institute of Polar Research have been published as Memoirs of National Institute of Polar Research, Special Issue.

The editorial board has decided to establish a new publication series for symposium proceedings. The new publication series consist of the following five proceedings:

- Proceedings of the NIPR Symposium on Upper Atmosphere Physics
- Proceedings of the NIPR Symposium on Polar Meteorology and Glaciology
- Proceedings of the NIPR Symposium on Antarctic Geosciences
- Proceedings of the NIPR Symposium on Antarctic Meteorites
- Proceedings of the NIPR Symposium on Polar Biology
