

## ANTARCTIC RECORD No. 14

### CONTENTS

Report on night airglow observation in the 5th Japanese Antarctic Research Expedition, 1960-61, — Latitude Dependency — .....	<i>Bun-ichi Saito</i> .....	1
Unusual enhancement of night airglow intensity at low latitudes on November 13, 1960.....	<i>Bun-ichi Saito</i> .....	8
Report on results of cosmic ray observations on m/s "SOYA" during the period from Nov. '60 to May '61.....	<i>Tadao Makino</i> .....	11
Structural geology and petrology of East Ongul Island, East Antarctica. Part I. Structural Geology.....	<i>Koshiro Kizaki</i> .....	27
Seismic observation of the Yamato Mountains traversing trip. .....	<i>Tamotsu Ishida</i> .....	36
Report on the pools and some products of weathering around the ponds on the coast of Antarctica.....	<i>Hiroshi Meguro</i> .....	44
On the electromagnetic seismographs at Syowa Base, Antarctica. .....	<i>Tsuneo Eto</i> .....	48
Brief results of the weather analysis during the operation of J.A.R.E. III, 1958-59.....	<i>Yushiro Kuga</i> .....	51
Brief results of the weather analysis during the relief operation of J.A.R.E. IV, 1959-60.....	<i>Yushiro Kuga</i> .....	56
Preliminary report of the oceanographical observations of the fifth Japanese Antarctic Research Expedition (1960-61). .....	<i>Sadakiyo Hori</i> .....	62
Plankton ice in the Antarctic Ocean.....	<i>Hiroshi Meguro</i> .....	72
Diatoms from the Shin-nan Rock Ice-free Area, Prince Olav Coast, the Antarctic Continent.....	<i>Hiroshi Fukushima</i> .....	80
Variability of <i>Navicula muticopsis</i> van Heurck (pennatae diatom). .....	<i>Tsuyako Ko-Bayashi</i> .....	92
Morphological notes of the internal organs of crab-eating seal. .....	<i>Shich Nishida and Junzo Amemiya</i> .....	97
Morphological notes of the internal organs of south-polar skua. .....	<i>Junzo Amemiya</i> .....	102
Pathological observation on sakhalin-type dog "JIRO". .....	<i>Junzo Amemiya</i> .....	105
