United States of America

- L. D. MCGINNIS Department of Geology,
Northern Illinois University
- M. D. TURNER Division of Polar Programs,
National Science Foundation
- J. B. BODKIN Mineral Constitution Laboratories
Pennsylvania State University
- G. J. BUCHER Department of Geology, University of Wyoming
- K. CARTWRIGHT Illinois State Geological Survey
- E. DECKER Department of Geology, University of Wyoming
- D. P. ELSTON U. S. Geological Survey, Arizona
- S. S. GOLDICH U. S. Geological Survey, Denver
- H. J. H. HARRIS Illinois State Geological Survey
- P. R. KYLE Institute of Polar Studies, Ohio State University
- H. Y. LING Department of Oceanography,
University of Washington
- S. C. PORTER Quaternary Research Center,
University of Washington
- R. D. POWELL Institute of Polar Studies, Ohio State University
- J. S. STUCKLESS U. S. Geological Survey, Denver
- M. STUIVER Quaternary Research Center,
University of Washington
- S. B. TREVES Department of Geology, University of Nebraska
- F. C. UGOLINI College of Forest Resources,
University of Washington
- P. N. WEBB Department of Geology,
Northern Illinois University
- H. K. Wong Geologisch-Poläontologisches Institut,
Universität Hamburg
- J. H. WRENN Department of Geology, Louisiana State University

New Zealand

- R. B. THOMSON Antarctic Division,
Department of Scientific and Industrial Research
- M. CHAPMAN-SMITH Antarctic Division,
Department of Scientific and Industrial Research
- D. A. CHRISTOFFEL Physics Department,
Victoria University of Wellington
